

PAVEL FEINSTEIN, born in Moscow in 1960, studied painting at the Olimov State Art College in Dushanbe/TJ and the Academy of Fine Arts in Berlin-Charlottenburg. In 1985, professor Gerhard Bergmann awarded him the title of *Meisterschüler*. Pavel Feinstein lives in Berlin.

“Primarily Feinstein withdraws from being categorised simply in art historical terms. In his works, the traditional genres of art do live on, from history painting to animal painting, the portrait, the still life. But they always prove themselves to be slightly out of tune, unfold their own lives, transcending common assumptions. And this is done by painting”.
